Sample and Quality Management in high-throughput genomic research
- 14:15 Dr. Kris Ver Donck, Head of Sales Trinean
DropSense96 flexibility: from single sample to traceable automated biomolecule quantification
- 14:45 Break
- 15:15 Keynote speaker: Dr. Mikael Kubista, CEO Tataa Biocenter, Sweden
Taking Expression Profiling to New Dimensions!
- 16:00 Summary and closing remarks
- 16:30 Reception

Practical information

Location:

Het Pand

Onderbergen 1

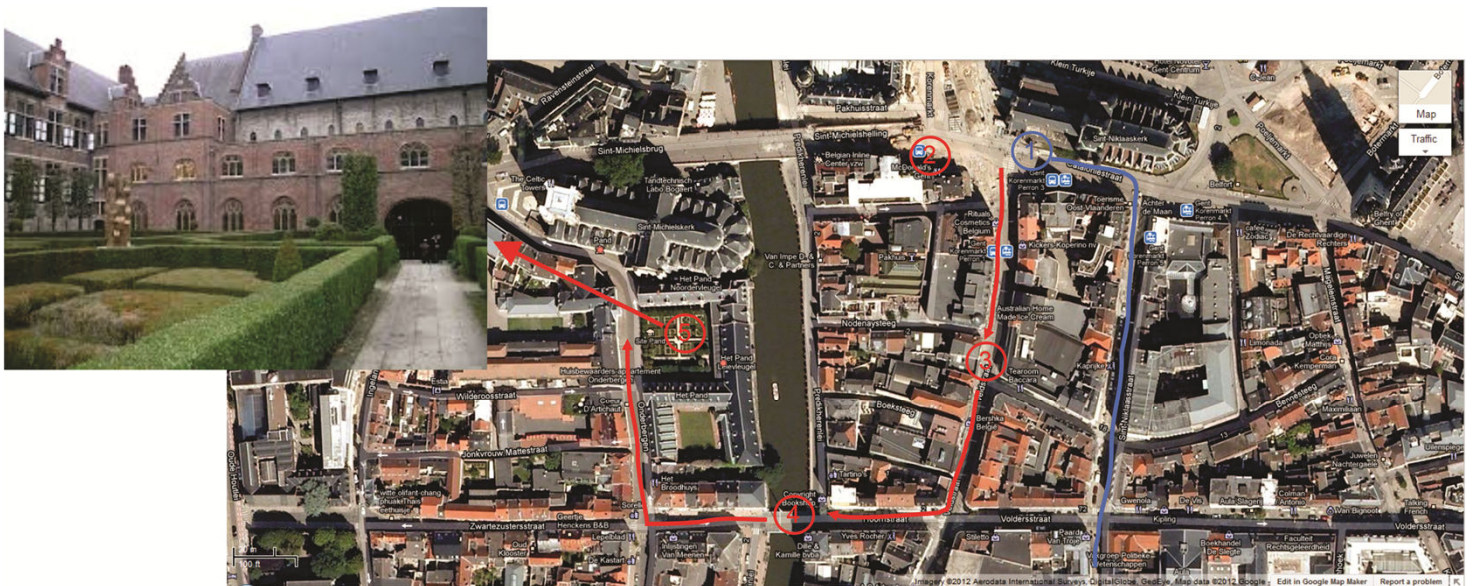

9000 Gent

tel. 09 264 83 05

How to reach:

By Train:

From Ghent main station (St-Pieters), take **tram 1** (every 6 minutes) until stop 'Korenmarkt'. From there it takes 5 minutes to walk to het Pand. See map below for directions.

1. Tram stop Korenmarkt
2. Go in the direction of the Mc Donalds restuarant
3. Walk through the shoppingstreet 'Veldstraat'
4. Go right into the street 'Volderstraat' and go over the river
5. Go right into the street 'Onderbergen' and Het Pand will be on the right

By car:

When entering Ghent, follow parking directions parking **P7 Sint-Michiels**. This parking next to Het Pand. Use exit '**Onderbergen**' to exit the parking in front of Het Pand.
