

# Know you've picked the ideal match

Come to our event and explore the exciting World of RNA, featuring next-generation sequencing (NGS), qPCR, microarrays and more

During this event, you'll learn about the latest products, tips and resources to help maximise your success in gene expression profiling, pathway analysis, detection of fusions, microRNA analysis and biomarker discovery. We'll help you find the gene expression solution that matches your unique needs.

## Speaker info and topic

- 09:00 – 09:10 Registration and coffee
- 09:10 – 09:35 Q-PCR workflow solutions– Shahin Hojjati, Sr. Technical Sales Specialist
- 09:35 – 10:15 RNA Solution with Microarray & NGS – Stefan Carlsen, Technical Sales Specialist Expression
- 10:15 – 10:30 Coffee and cake
- 10:30 – 10:50 Introduction of Array and Analysis Facility, Pádraic Corcoran, Uppsala University
- 10:50 – 11:30 GenEx software—the complete solution for qPCR data analysis- Mikael Kubista TATAA Biocenter
- 11:30 – 12:00 Gene expression qPCR tips & tricks – Carsten Nielsen +

## If you have any questions, please contact:

To register for the event, please contact your local representative:  
 Jeanette Palm  
 jeanette.palm@thermofisher.com  
 Mobile: 0706-33 41 10

Welcome! +

## Event details

RNA Day

Date: Wednesday, September 26

Time: 09.00 – 12.00

Location: Uppsala Science Park,  
 Hubben, Dag Hammarskjölds  
 väg 38

Conference room: Room 7

Last day for registration:  
 September 21.

Free seminar. +
