Seminar Invitation

Metabolic RNA labeling and 3' RNA-Seq reveal new insights into gene function and transcriptional responses to therapeutic treatment

Time:

June 14th at 11am

Price:

FREE (registration required for light lunch)

Location:

AstraZeneca Conference Centre,

Room Lambda, Pepparedsleden 5,
Möln dal, Sweden

TATAA Biocenter and Lexogen invite you to this technical lecture focusing on metabolic RNA labeling and 3' RNA sequencing for cost-efficient gene expression analysis.

Speaker: Stephanie Bannister, PhD, Head of Applications and Customer Support at Lexogen

Come and Meet Us!

European Human
Genetics Conference
Gothenburg, Sweden

Date: JUNE 15–18, 2019

Location: Swedish Exhibition & Congress Center
Mässans Gata/Korsvägen
412 94 Gothenburg, Sweden
Entrance No. 2

TATAA Biocenter AB is a leader in Europe in RNA, DNA and protein analyzes with qPCR, NGS and microchip technologies. We offer global molecular education programs, accredited analytical services to industry and technical support to academic and state laboratories. We have developed several own products for qPCR analysis, especially in quality assurance, and supplemented with products from other suppliers. Today, we have one of the market's most complete range of qPCR and NGS products in Sweden with superior technical and application support. We are now looking to strengthen our team in a variety of areas and we look forward to your application.
