

**Your invitation to our free one-day symposium  
in Göteborg:**

## **Protein biomarker discovery in clinical & epidemiological research**

You are invited to join us for an exciting one-day symposium, "Protein biomarker discovery in clinical & epidemiological research", to discuss interesting recent developments in protein biomarker discovery. The event is being jointly arranged by the TATAA Biocenter in Göteborg and Olink Proteomics.

**Venue:** Campus Medicinareberget, Medicinaregatan 3, Göteborg, Sweden

**Date:** Tuesday May 23rd, 2017

**Room:** Hörsal Arvid Carlsson, Academicum

This event is free of charge, and will feature presentations from leading researchers, including Professors Henrik Zetterberg, Anders Grubb and Göran Bergström.

To see full details of the preliminary agenda and to register for this event, please visit the symposium information page:

> [Registration and agenda](#)

Please note that registration requests can only be accepted by submitting the on-line request form.

We look forward to see you in Göteborg!
